Full-Stack Software Engineer with strong backend and system design expertise. Experienced in building scalable SaaS platforms, designing APIs, and delivering end-to-end applications from UI to distributed backend systems.

Employment History

Software Engineer, ThinkRoman Ventures

Duration: [Feb 2024] — Present
Technologies Used: [Tech Stack: TypeScript, Node.js, MongoDB, Next.js, Prisma, Redis, Java, Spring Boot, MySQL, Kafka, Aerospike, AWS (Lambda, EC2, S3), JUnit]

- **As Full-Time Developer (Feb 2024 – Present):**
  - Designed end-to-end Saas systems with multi-tenant architecture using Next.js and backend APIs.
  - Built reusable React component library with Typescript, improving UI consistency.
  - Managed complex client-side state using Zustand/Redux, handling real time data updates.
  - Built backend services with optimized database queries, improving response performance.
  - Implemented Redis caching and kafka pipelines for asynchronous processing and scalability.
  - Designed robust APIs for third-party integrations (Payments, WhatsApp, Zoom) with retry and consistency handling.
  - Optimized SSR and data-fetching strategies, improving frontend performance.

Projects

OutPost – AI Social Scheduler & Content Generator |https://outpost.sudeepkudari.online

- Built distributed scheduling system for automated posts across platforms.
- Designed queue-based execution and concurrency handling.
- Implemented API rate limiting and retry mechanisms

Forms Factory – Collaborative Form Builder & Submission|https://forms.sudeepkudari.online

- Designed an interactive form builder UI with drag and drop components and live preview.
- Implemented RBAC and secure multi-user systems.
- Built webhook and export pipelines

Skills

Frontend: React, Next.js, Typescript, Tailwind CSS, HTML/CSS
Backend: Node.js, Spring Boot, Java, Python, Kafka, Redis
Databases: MongoDB, MySQL, PostgreSQL
Cloud/DevOps: AWS (S3, EC2, Lambda), Git, Linux

Education

Bachelor of Technology in Information Science, New Horizon College of Engineering, Bangalore

(June 2019 — August 2023) | CGPA - 7.6
